**THIS MONTH ONLY!!  
\$129.00 DISCOVERY  
FLIGHTS!!**

During the month of December we are going to have several events going on at Veracity. Along with the second Saturday \$10 Helicopter, we will be offering gift certificates at a discounted rate for Christmas. There will also be a customer appreciation luncheon on the 12th starting at 12:00 pm. Check out the luncheon section below. Also, throughout the entire month we are offering helicopter Christmas light tours with a few different options to choose from. They will run from 6:30pm to 9:30pm; a 24-hour booking is advised.

I would also like to invite all helicopter pilots, CFI's and operators to the FAA Workshop being held at the New Braunfels Municipal Airport terminal on Wednesday, December 16, 2009, starting at 1:00 pm. Topics of the meeting include Safety Trends in GA, Risk Management, & Helicopter Operations. Hope to see you there.

Fly Safe and Happy Holidays,

Derrick

## Customer Appreciation Luncheon

The Christmas Holidays are just around the corner and we'd like to invite you and anyone who has never been out to the Veracity Hangar for a Customer Appreciation Luncheon. It will begin at 12 noon on December 12, the same day

we have \$10 Helicopter rides so make sure to stick around for lunch! Plates will be \$5.00 or free if you present your Helicopter Ride Ticket. We are very grateful for all of you and to our friends and family for all the care and support we've received in the last year and a half. Thank you!

## Featured Student

Noe Galindo

Congratulations Noe for soloing last month on the 14th. Noe is training for his private pilot's license and is hopefully just a few weeks away from his check ride.

## Safety Course at the NB Terminal

A CFI / DPE / PILOT Workshop is scheduled for Wednesday, December 16, 2009 at 1:00 pm. The workshop will be covering topics such as Safety Trends in GA, Risk Management & Helicopter Operations and will be a great safety course for you and your fellow pilots. It will be held at the Terminal building (2333 FM 758 New Braunfels, Tx.). Gary Stamper, William Due, Roger Sharp, Faye Makarsky, Theo Mavridoglou are speaking at the event that will last around three hours. For a guaranteed seat, register online at [FAAsafety.gov](http://FAAsafety.gov), otherwise arrive 15 minutes early to this very useful event.
