

Get Your Instrument Rating at Veracity Aviation

Veracity Aviation offers an accelerated instrument course at both our Houston and New Braunfels locations to any and all highly motivated individuals interested in **maximizing** their time and **minimizing** their training costs.

We utilize a Fly It simulator for 20 hours of the training, saving you **\$9,000.00**.

Our Accelerated Instrument Program offers many benefits including less time investment, fewer repeated lessons, one-on-one instructing and of course, less money.

Choose the program that best fits your current total time.

<u>Package</u>	<u>R44</u>	<u>Sim</u>	<u>Flight Inst.</u>	<u>Ground</u>	<u>Total</u>
